

Are We the Right School for You?

YEAR ROUND FUN & CREATIVITY - Your child will LOVE going to school each day! Summer Camps keep the learning going all year long...a great way to ease new students into the school routine with a smile & lots of giggles!

WARM & LOVING - Small, Cozy Class Size (only 8-12 children) lets us know & love each child.

PROFESSIONAL EXPERIENCE - University Trained Teachers with years of experience help your child learn & grow

WEEKLY PERFORMING ARTS CLASSES - Every child gets a Music & Dance Class scheduled into your child's week at preschool. Research shows that Music Lessons at an early age are the best way to help your child's brain develop the skills needed for success in school & life!

AGE-SPECIFIC - separate classes for 2's, 3's, 4's and JrK

VARIETY - Structured learning mixed with exploration, fun & games.

SERVICE - Office Staff available to help you with questions during class time.

More than ABC & 123...

Preschool Fun Year Round

What will my child learn?

Our goal is to nurture the curiosity and wonder little ones bring to learning. We feel children learn best by doing...so when you visit our classrooms, you'll see lots of hands-on learning going on: building blocks, classroom pets, messy art, science experiments, and more. Your child's day will be an opportunity to learn about the world around them as we explore weekly themes to expand their academic foundation.

Learning is about so much more than just the ABC's and 123's. Your child will also be developing their social skills as they learn to work & play with their peers, refine gross motor skills during outdoor play time, develop fine motor skills with art projects, pencil work & playdough, and develop an understanding of the scientific process as we learn about plant & animal growth, magnets & the solar system.

Class Size: 10 children max

Reg/Materials Fee: \$175 (due at regis.)

Summer Tuition: \$110 (due 7/1/17, 1 camp)

Tuition: 4's \$250, JrK \$330/mo (Sept - June)

4's PreK: We'll build on the skills started in 3's to get ready for Kindergarten. Knowing the letters and their sounds to be ready to read, writing names and phone numbers, counting higher and creating complex patterns, science explorations and so much more!

JrK: Students need to be able to write their name and recognize the letters & numbers with confidence. This curriculum still has lots of hands-on-learning & art, but takes children ready to do more on to the reading & math basics of Kindergarten. Teacher evaluations twice a year will show you all the wonderful skills they've gained.

You also get a Music Maker Class (glock, piano & dulcimer)
